- Cultural competence

### Lewin's Force Field Analysis:

#### FORCE FIELD ANALYSIS – KURT LEWIN

[www.change-management.co.uk/](http://www.change-management.co.uk/)

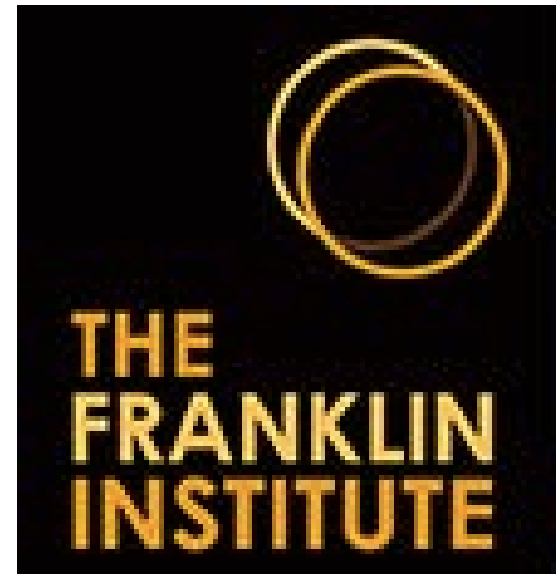

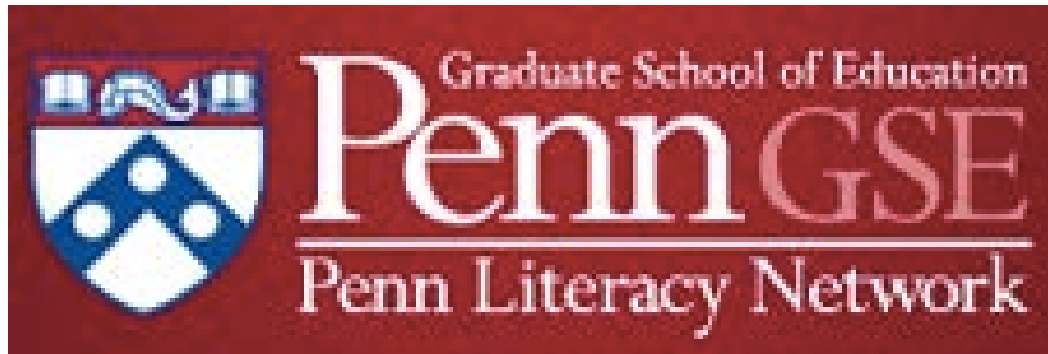

Pearl S. Buck International

**“It is not light we need, but fire. It is not the gentle shower, but thunder. We need the storm, the whirlwind, and the earthquake.”**

**— Frederick Douglass**

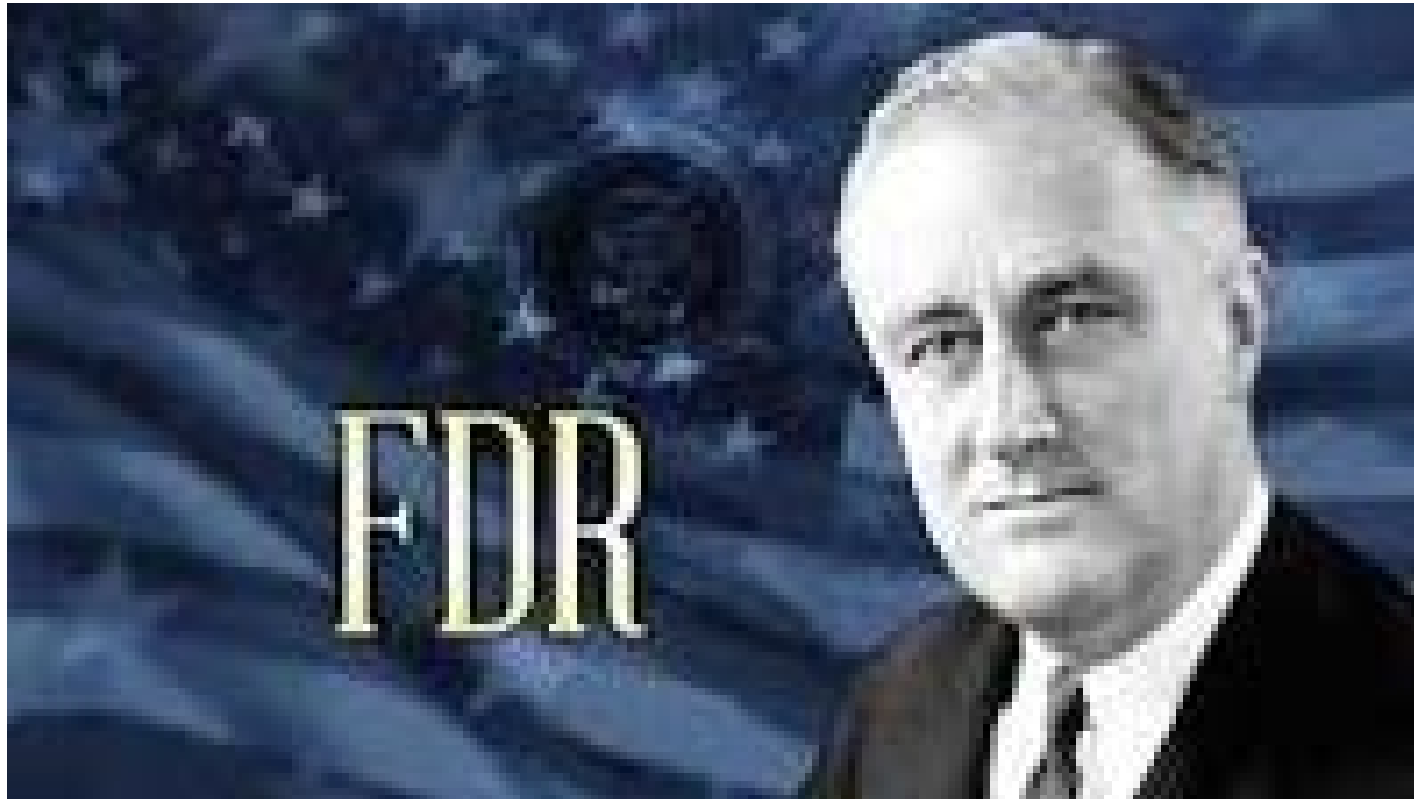

# 3) Academic Rigor and Relevance/Growth Mindset

- Penn Literacy Network
- Khan Academy and Open Education Resources
- Digital Innovation and our Future Ready Team
- Full Day Kindergarten, Responsive Classroom and Restorative Justice
- Brain Breaks and The Franklin Institute

# The Only thing We have to Fear is Fear itself:

FDR's Inaugural Address

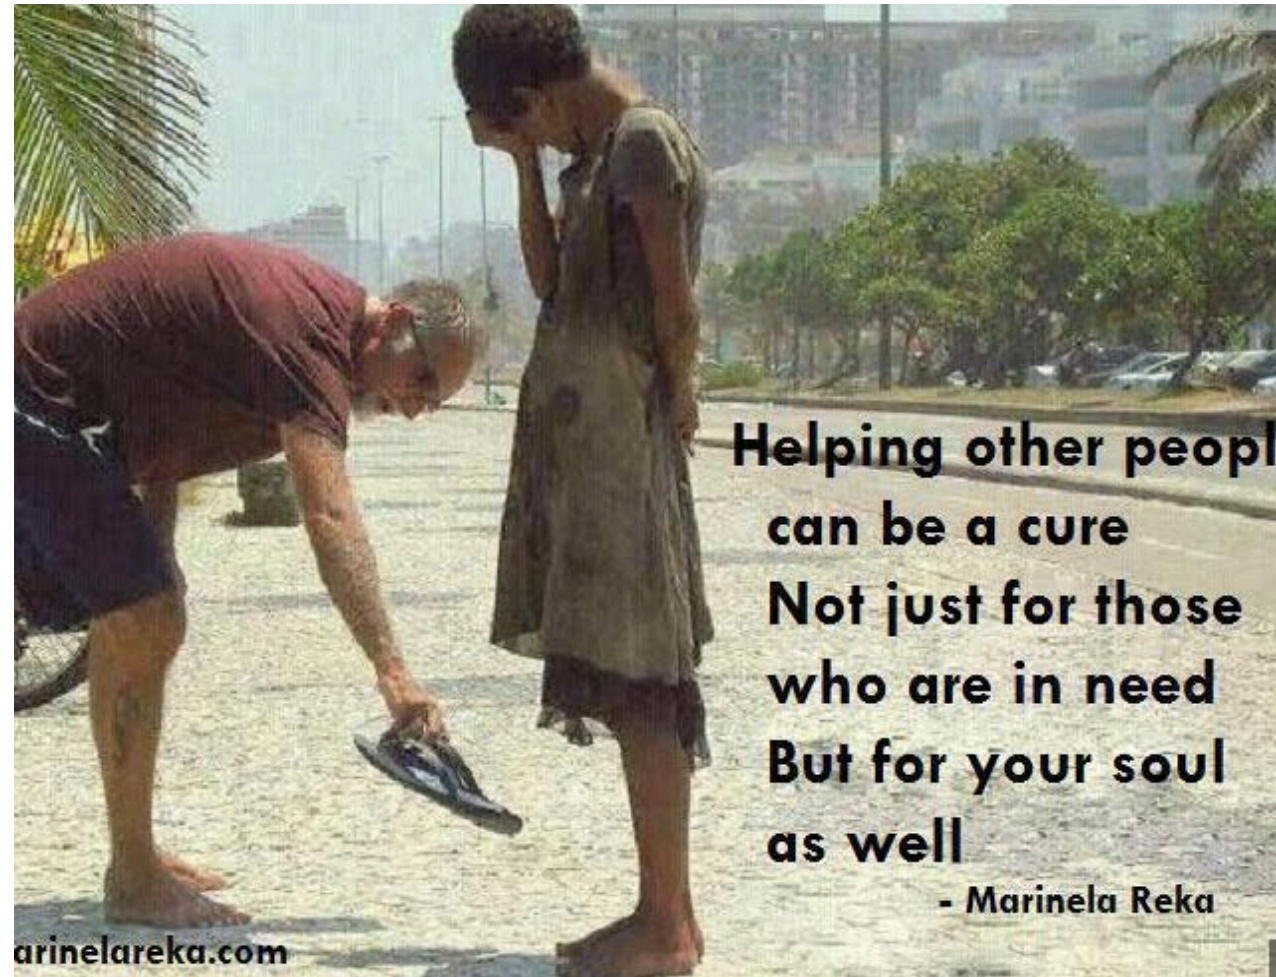

# First things first!

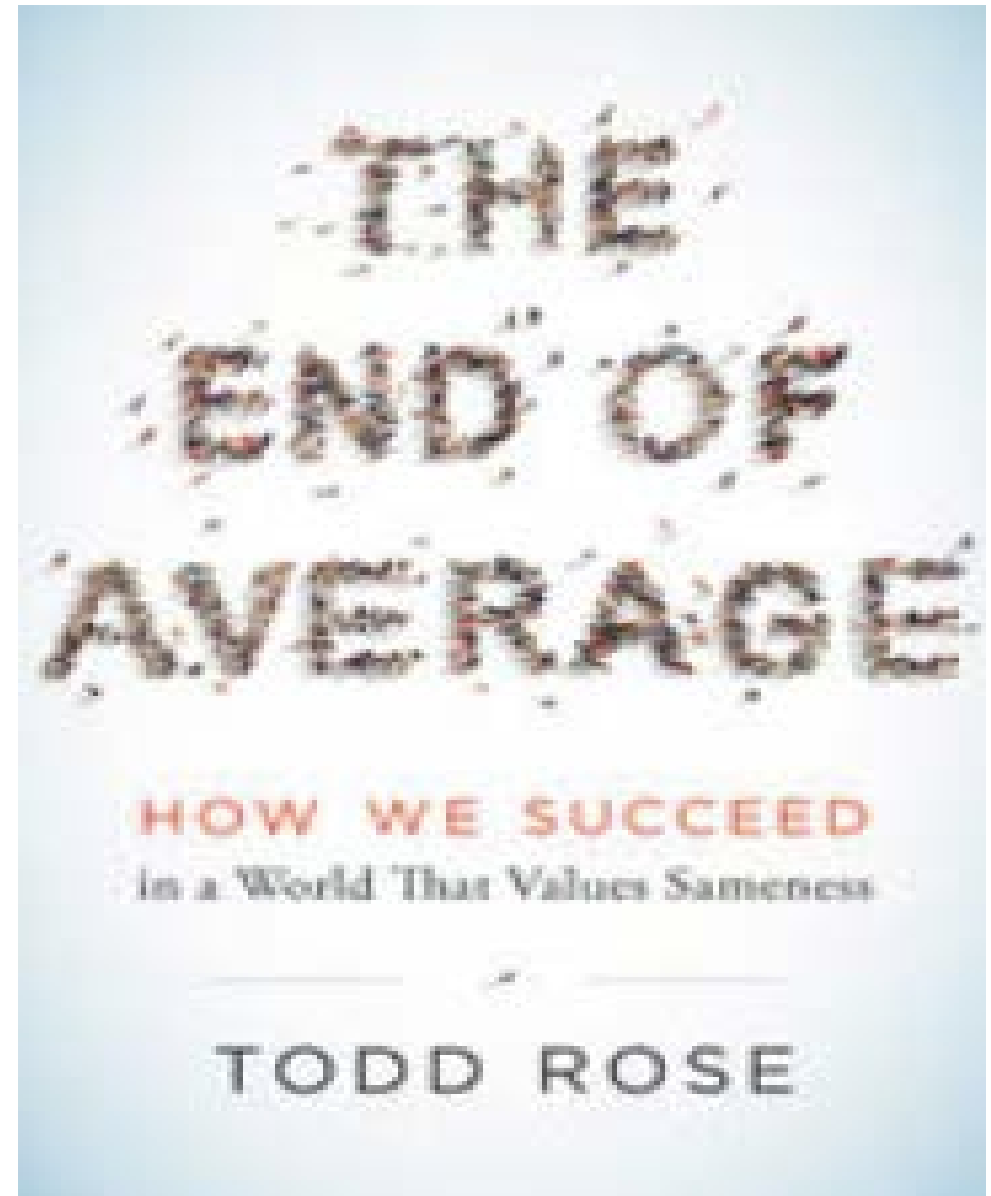

- It turns out that while people like to have their problems fixed, what they most want is to be seen and to be cared about.

- This is how you will measure yourself over time.

Jaggedness Principle  
Context Principle  
Pathways Principle

# Four Big Questions for You and Your team

- How are you?
- What are you learning?
- Where are you stuck?
- How can I help?

# Special Guests:
