## **PLEDGE OF ALLEGIANCE**

Mrs. Huf led the group in the Pledge of Allegiance.

## **ANNOUNCEMENTS**

Mrs. Huf announced that the Board had met in Executive Session prior to this meeting regarding personnel matters relative to performance objectives, employee benefits and leaves of absences.

Ms. Kolody announced that she would be resigning her position as School Board member since she would be relocating to Minnesota due to new job responsibilities.

Mrs. Jankowsky advised that she had received an invitation to attend an afternoon with Roger Farr. She had attended the presentation and felt that it was one of the best she had seen. Dr. Farr had been involved in developing standardized tests for the past thirty years. Mrs. Jankowsky requested that Dr. Farr be engaged as a guest speaker.

Dr. Reid wished Ms. Kolody well in her new job responsibilities. She also announced that on March 1<sup>st</sup> census postcards would be sent out to residents, to be mailed back within ten days. Census enumerators would be sent out by the District to obtain information from the residents who did not return the cards. Dr. Reid advised that this census is different from the United States Census currently underway.

Mr. Grossi stated that he felt Ms. Kolody was a very talented young lady and that he wished her well and felt that she would be missed.

## **GOOD NEWS/PRESENTATIONS**

Mrs. Homel presented the Goods News Report (see attached).

Ms. Kautz reported on two track students who were doing very well, Troy Roberson and Pam Kessler.

Mrs. Huf extended congratulations to the bowling team also.

## **COMMUNITY COMMENTS**

Robert Luebbe of 388 Betsy Lane, Warminster, addressed the Board on behalf of the senior citizens of the community regarding Act 50, the Homestead Act. He commended the District for having held taxes down and stated that this benefits the senior citizens. He indicated that they did not know what Centennial's position was regarding the Homestead Act.

Mr. Grossi stated that he felt there were a few problems. He felt that what the District needed to do was create a situation where people who have raised their children could stay in their homes as long as they wished to. He felt that the District had done this as far as not raising taxes. He

stated, however, that collections had been a problem recently. He felt the best thing to do was to keep real estate taxes down.

Mr. Luebke requested that information be put in the newspaper so that people would be aware of Centennial's position.

Mrs. Jankowsky advised that we had participated with the other school districts in the county to obtain an analysis of Act 50 and that it was not a promising analysis. The Finance Committee had recently requested PSBA to provide an analysis of the tax reform but that had not been done yet.

Patty Burke of 466 Ivy Street, Warminster, thanked the Board for listening to the community at the previous meeting regarding the issue of Coach Sanderson. She advised that she was representing the players, parents and students at Tennent in thanking the Board for hiring Mr. Patchioli as Athletic Director and Mr. Sanderson as Assistant. She felt that both individuals would make a big impact on the students' lives.

Donna Marie Saul of 589 Lowell Road, Warminster, questioned why there was no honors-level general science course while there are honors level courses for most other subjects. Mrs. Homel advised that she had requested Administration to look into this matter.

Mrs. Saul stated that she had heard that there was the possibility of testing out of the eighth grade science course but that this option was not well known. She felt that parents should be formally notified of the option and the procedure to be followed.

Mrs. Saul also stated that she had read that a new position was being created for someone to be the Assistant Athletic Director. She stated that she was not aware that you could just create a new position in order to fit someone in. She felt that maybe academics should be treated the same as athletics.

Mrs. Homel explained the process that was used. She indicated that there had been unfairness in the past in preparing the athletes for college, checking out scholarships, etc. Her goal in this case was to help to remedy that situation.

Mr. Grossi, as a point of order, felt that discussion on this matter should wait until the appropriate time since this matter was an agenda item.

Patrick U'Selis of 531 Cushmore Road, Southampton, conveyed the thanks of the football team and stated that they felt the Board had shown its commitment to the students.

Janet Marinoff of 51 Fern Road, Southampton, indicated her concern about the growth of class sizes. She stated that most classes have over thirty students and was concerned about the size of the AP classes for next year. She requested that the issue of class size be addressed during the budget process and also requested reevaluating the reinstatement of the gifted teachers in the middle school.

Mr. Grossi stated that he had advised the Board that we are running out of room at the high school and this matter will be addressed during the next two years.

Mike Salvia of 1135 Woods Lane, Warminster, thanked the Board for allowing the athletes to speak at the last meeting and stated that he felt hiring Coach Sanderson would help the students.

Mrs. Jankowsky responded to Mrs. Marinoff's comments regarding class size. She indicated that the Education Committee would be reviewing the audit report conducted by the I.U. on the gifted program and invited anyone who was interested to attend that meeting.

## **NEW BUSINESS**

Mrs. Huf announced a change in the order the Agenda.

### 7. Assistant Athletic Director

*A motion was made by Mr. Rosenberger and seconded by Ms. Kautz to resolve that the Centennial School Board approves the new part-time position of Assistant Athletic Director effective July 1, 2000 at a starting salary of \$30,000.*

Mr. Rosenberger indicated that he was very happy to have been a part of this appointment and to vote in favor of it.

Ms. Kautz stated that she wanted the students to know that their voices were heard. She felt that Coach Sanderson was a man of integrity and a good role model. She felt that his influence would be more far-reaching than just athletics.

Mrs. Jankowsky advised that this position was listed in the Personnel section of the meeting as a part-time position. She wondered whether or not it included benefits. Mrs. Huf advised that there was a consensus of the Board that the position would be with benefits.

Mrs. Homel clarified that benefits were being offered the same as for the Athletic Director.

Mrs. Jankowsky stated that although she understood what a wonderful job Coach Sanderson had done, she could not justify this position to the community.

Mr. Strouse concurred with Mrs. Jankowsky. He indicated that he had heard that Coach Sanderson had done a wonderful job as a coach and a teacher, but he did not believe the position was appropriate at this point in time. He felt there should be a better way to get Coach Sanderson into the District.

Mr. Grossi spoke about the talent of Coach Sanderson and indicated that he supported doing everything within reason to get him on board. He did feel, however, that hiring

him as a teacher would be a better approach. He didn't feel that the proper method was being used.

*A motion was made by Ms. Kautz and seconded by Mrs. Jankowsky to call the question.*

*The motion to call the question passed 9-0.*

*A roll call vote was taken on the motion, as follows:*

<i>Mr. Strouse</i>	<i>No</i>
<i>Mr. Locke</i>	<i>Yes</i>
<i>Ms. Kautz</i>	<i>Yes</i>
<i>Ms. Kolody</i>	<i>No</i>
<i>Mr. Rosenberger</i>	<i>Yes</i>
<i>Mr. Grossi</i>	<i>Yes</i>
<i>Mr. Faust</i>	<i>Yes</i>
<i>Mrs. Jankowsky</i>	<i>No</i>
<i>Mrs. Huf</i>	<i>Yes</i>

*The motion passed 6-3.*

Mrs. Huf stated that she was proud of all the athletes in the District. She indicated that she had received many phone calls about this matter and felt that this was a very important move for the District. She welcomed Coach Sanderson.

Mr. Strouse stated that he didn't feel that anyone who voted against this was against Mr. Sanderson. He felt they were against the position and the manner in which this was handled. Ms. Kolody agreed.

**PERSONNEL**

This was moved up on the Agenda.

*A motion was made by Mr. Faust and seconded by Mrs. Jankowsky to resolve that the Centennial School Board approves the following Personnel items: Resignations/Retirements/ Leaves of Absences; Appointments; Substitute Aides; Substitute Bus Driver; and Co-Curricular Additions, Changes and Deletions.*

Mr. Faust requested that the second item under Resignations be separated. Mrs. Jankowsky requested that the fourth item under Resignations be deleted.

*The motion passed 9-0.*

*A motion was made by Mr. Faust to approve the second item under Resignations. The motion was not seconded and, therefore, failed.*

Mrs. Jankowsky stated that she wished the record to reflect that she was opposed to the appointment of Coach Sanderson.

Mr. Rosenberger left the meeting at 8:50 p.m.

## **NEW BUSINESS**

### **1. Preliminary Approval of Trip to New York City**

*A motion was made by Ms. Kautz and seconded by Ms. Kolody to resolve that the Centennial School Board grants preliminary approval of trip to New York City May 26-28, 2000 by WTHS Chorale at no cost to the District.*

Ms. Kautz had a question about the chaperones. Since there was no one present to answer questions, it was decided that the question could wait until the matter appeared for final approval.

Mrs. Jankowsky stated that the chaperone was at no cost to the District. She encouraged Administration to advise faculty members to pursue this type of arrangement in the future so students would not be paying for the chaperones.

Mrs. Jankowsky questioned why this trip was at the students' expense while the trip listed under #2 would be at the District's expense.

Ms. Kautz explained that the trip listed under item #2 was for a competition and this trip was not.

*The motion passed 8-0. (Mr. Rosenberger was out of the room.)*

Mr. Rosenberger returned to the meeting at 8:53 p.m.

### **2. Approval for Trip April 10-12 to Champion, PA**

*A motion was made by Ms. Kautz and seconded by Ms. Kolody to resolve that the Centennial School Board grants approval for trip by WTHS Future Business Leaders of America to Champion, PA April 10-12, 2000 at a cost of \$4,890.*

Mr. Strouse stated that he was in favor of the trip but had some questions. He wondered if we could make this part of the budget rather than having to approve the trip at the last minute each year.

Mr. Vail agreed and stated that, in anticipation of Mr. Strouse's comment, this was included in the upcoming budget.

Mr. Faust stated that since this was an overnight trip it would still require Board approval and that placing this in the budget would not relieve the obligation of appearing before the Board.

*The motion passed 9-0.*

3. Post Prom Party

*A motion was made by Mrs. Jankowsky and seconded by Ms. Kautz to resolve that the Centennial School Board approves the WTHS Senior Prom Party to be held at the B&R Health & Fitness Club in Feasterville, PA on Friday, May 19, 2000 from 1 a.m. until 5 a.m. as a school sanctioned activity undertaken by a School District sanctioned volunteer group. This resolution shall be subject to the following conditions:*

- 1. Compliance by the volunteer group with any and all requirements imposed by the District's general liability insurance carrier;*
- 2. The Post Prom Party shall be conducted without any cost to the School District;*
- 3. The approval shall extend to the Post Prom Party on May 19, 2000 only and shall not be a blanket approval of any subsequent post prom parties.*

Mr. Grossi asked why we would approve a post prom party since we didn't approve the prom. He felt that the Board should not be dealing with this matter.

Dr. Reid stated that the party was a little different because it was being sponsored by a group of parents. When it first came up, there was a question about whether it was District sanctioned. They had needed to check with the insurance carrier and solicitor.

Mr. Faust stated that once this was approved as a school sanctioned activity, we would be assuming some liability. He asked if the volunteers had their Act 34 and 151 clearances.

It was determined that since this was a one-time volunteer activity, the clearance was not required according to the policy.

Mrs. Huf questioned whether B&R Health & Fitness Club was in the District.

Julie Cassidy of 169 Centenary Lane and Valerie Brackney of 593 New Road, Southampton, (both members of the Senior Prom Committee) were present to answer questions. Ms. Brackney indicated that the club was not in the District but that most of the students who work at the club were Centennial students. She indicated that many of the school districts in the area had held similar parties and had no problems.

Since the prom was being held in Norristown, Mr. Faust had concerns about our liability for travel between the prom and the party.

Mrs. Jankowsky stated that the solicitor's letter indicated that it was within the authority of the Board to sponsor such an activity. She wondered if Administration viewed this as

a school sponsored activity. Administration indicated that it would be parent run, but school sponsored.

A lengthy discussion was held regarding how much liability the District would have and where it began and ended. It was suggested that we check with the solicitor again regarding this matter in order to have the questions answered.

Mrs. Huf asked if it would be detrimental to wait until the next meeting.

Ms. Brackney indicated that it would since they needed to start on fundraising.

Mr. Vail clarified that if there would be a lawsuit brought related to an accident that occurred between the prom and the post prom party, the primary coverage would be that of the primary owner of the vehicle involved. However, if the District would be named in a lawsuit, the insurance company would defend us and say that we had no liability. If it were adjudicated that we had liability, the insurance company would cover that. A certificate of insurance would be issued for the facility of the post-prom party.

*A motion to table was made by Mr. Faust and seconded by Mr. Strouse.*

Mrs. Jankowsky suggested that the matter be postponed until later in the meeting and that the Board request Administration to attempt to contact the solicitor to answer the questions.

*Mr. Faust amended his motion to table until later in the meeting. Mr. Strouse agreed.*

*The motion to table passed 7-2. (Ms. Kautz and Ms. Kolody opposed.)*

Mr. Rosenberger and Ms. Kolody left the meeting at 9:35 p.m.

5. ABE Program

Patrick Gillan spoke about the Adult Basic Education Literacy and Education Programs.

Ms. Kautz left the meeting at 9:38 p.m.

Ms. Kolody returned to the meeting at 9:50 p.m. Ms. Kautz returned to the meeting at 9:51 p.m.

Mr. Faust left the meeting at 9:55 p.m. and returned at 9:58 p.m.

Mr. Gillan also spoke about future alternatives for the program.

Mrs. Jankowsky asked Mr. Gillan if this proposal would reduce the amount of time he would be out of the building. Mr. Gillan responded that it would reduce the amount of time he would be out during the day but that he would have commitments in the evening.

*A motion was made by Mrs. Jankowsky and seconded by Mr. Grossi to resolve that the Centennial School Board directs Administration to explore affiliation with the Volunteers In Training Alternatives (VITA) to improve the effectiveness and efficiency of the Adult Basic Education and General Education Development programs through economies of scale.*

*The motion passed 8-0. (Mr. Rosenberger was out of the room.)*

4. Elementary Summer Basic Skills Program

*A motion was made by Mrs. Jankowsky and seconded by Ms. Kautz to resolve that the Centennial School Board approves an Elementary Summer Basic Skills Program at McDonald School for the period from July 10 through August 4, 2000 to provide basic skills support to students entering fourth grade identified by staff as needing such support. The \$24,000 cost of this program shall be paid out of Title VI funds. The District shall support the cost of transporting students to McDonald School, for a total of not more than \$5,600.*

Mr. Rosenberger returned to the meeting at 10:09 p.m.

Mr. Faust asked about transportation. Dr. Sexton advised that the District would pick up the cost of transportation.

Mr. Faust advised that transportation is not provided for the middle school summer school program. Dr. Reid indicated that this could be looked at in the future.

Mr. Grossi asked how we would determine if the program was effective. Dr. Sexton responded that they would use the same instruments as used for Title I. Mrs. Jankowsky requested that the Board be provided with baseline information and also the measure that will be used to determine the effectiveness of the program in advance of when the program is implemented. Mrs. Jankowsky also requested the criteria that would be used to identify students.

*The motion passed 9-0.*

6. Calendar for 2000/01

*A motion was made by Ms. Kautz and seconded by Mrs. Jankowsky to resolve that the Centennial School Board approves the proposed calendar for the 2000/01 school year. That calendar provides for 179 days of instruction for students, 8 professional development days, 2 parent conference days, and 2 Act 80 days for additional staff training.*

Mrs. Jankowsky left the meeting at 10:20 p.m.

Dr. Reid explained how the calendar was prepared and advised that two Act 80 days were being requested.

Mrs. Jankowsky returned to the meeting at 10:22 p.m.

Dr. Masko spoke about what is required to become a standards-based district.

Mrs. Huf and Mr. Rosenberger left the meeting at 10:25 p.m. and returned at 10:27 p.m.

Mr. Faust advised that he would be opposing the calendar as presented. One reason was because he recalled negotiating a labor contract that stated that staff would work 181 instructional days, which would not be used as Act 80 days. Also, starting on July 1<sup>st</sup>, Act 48 would become effective regarding professional development. This Act requires teachers to do 180 hours of in-service training or six college credits. He felt that a lot of these goals could be included in the in-service plan. He stated that he did not like the idea of taking away student instructional time.

Mr. Grossi stated that he would oppose the calendar for the same reason as Mr. Faust. Also, he questioned what staff attendance was on these days.

Mr. Strouse agreed that cutting class time for students was not beneficial.

Anita Miller of 400 Grape Street stated that in the past week or two, there were days when her son (who attended McDonald) did not have his regular teachers, that they were in training. She felt that parents needed to be made aware of this and wondered why this happened.

Dr. Sexton explained that McDonald had been awarded a special grant and was working with consultants from Temple University on a series of training programs for teachers to improve student skills.

Mrs. Jankowsky stated that there was merit to some of the arguments, but she was not prepared to support the calendar.

*The motion failed 2-6-1. (Mr. Faust, Mr. Grossi, Mrs. Huf, Mrs. Jankowsky, Ms. Kautz and Mr. Strouse opposed; Mr. Rosenberger abstained.)*

3. Post Prom Party

*A motion was made by Mrs. Jankowsky and seconded by Mr. Grossi to remove the motion regarding the post prom party from the table.*

*The motion passed 9-0.*

Mr. Vail advised that they had spoken to the insurance agent and the solicitor regarding this matter. We would have portal-to-portal coverage. Both the agent and the solicitor

agreed that in the absence of some other negligent factor, any transportation issue would be on the driver involved. The District would have no liability unless a lawsuit was brought for some other mitigating factor. The insurance carrier recommended keeping the coverage under the School District's policy since it has greater coverage than a single event policy.

*The motion passed 9-0.*

8. Change in Vision Carrier
9. Change in Dental Carrier
10. Addendum to Xerox Lease – Folding Machine
11. Soft Drink Request for Proposal
13. Rescission of Fiber Optic Study
16. Permission to Apply for Toyota Tapestry Grant
17. Christ's Home Sanctuary Program
18. Locker Bid
19. Final Approval of Trip to Hershey, PA

*A motion was made by Mrs. Jankowsky and seconded by Mr. Strouse to resolve that the Centennial School Board:*

*(8) Approves entering into agreement with School Claims Service, LLC (PSBA) to provide Employee Vision Insurance Services commencing April 1, 2000 through June 30, 2001 at a total cost of \$12,107 to the District. This represents a projected annual saving of \$12,500 to the District over current carrier Met Life.*

*(9) Approves entering into agreement with Delta Dental for its Modified Premier Self-Insured Dental Program as per the proposal submitted to the Four County Health Care Consortium commencing April 1, 2000 through June 30, 2001. Premiums to be based on actual claims (estimated at \$419,076 annually) with administrative costs not to exceed \$25,662 annually. This represents a projected annual saving of \$19,414 to the District over current carrier Met Life.*

*(10) Approves an amendment to the District's 60-month Xerox Corporation Lease Agreement to add a Model Duplo DF-520 Folding machine at a cost of \$7,730 over the remaining term of the agreement. This action is retroactive to September 22, 1999.*

*(11) Authorizes Administration to draft an amended Request for Proposal to be submitted to all soft drink vendors for a five-year exclusive distribution agreement incorporating the provisions that the existing arrangement with Canada Dry to provide lunchtime beverage services to the WTHS cafeteria program be exempted from any vending contract.*

*(13) Rescinds the resolution approved at the November 23, 1999 School Board meeting to retain Elcom Services Group to develop a detailed set of specifications that could be incorporated into a bid for a Districtwide fiber optic network, at a cost not to exceed \$223,760.*

*(16) Approves permission to apply for funding for the Toyota Tapestry Grant (Community Sky Tour Program: Astronomy for Everyone) in the amount of \$10,000.*

*(17) Approves the agreement with Intermediate Unit #22 to operate the educational program for the students assigned to the Sanctuary Emergency Shelter at Christ's Home*

*in Warminster. The cost of this program is expected to be about \$95,000. Intermediate Unit #22 shall charge all costs of the program back to the students' districts of residence.*

*(18) Approves the Locker Replacement Bid No. 2000-09 to be awarded to Penco Products at the lowest responsible bid amount of \$102,320.*

*(19) Gives final approval for trip to Hershey, PA March 3-5, 2000 by WTHS Key Club at no cost to the District.*

Mrs. Jankowsky asked if this was a required trip. Mrs. Homel explained that if the students were going to seriously participate in this event, the trip was advisable so that the students could connect with others statewide, get ideas and share their thinking.

Mrs. Huf disagreed because since this was a Kiwanis-sponsored event, she felt perhaps they could pick up the cost of the trip. Mrs. Jankowsky pointed out that the Kiwanis Club would be picking up one-third of the cost. However, she felt that if this was a required trip, perhaps the Board should address the issue in the policy.

Dr. Reid advised that she would check the policy.

Ms. Kautz asked the Board if it still wanted the I.U. representatives to attend the March 28<sup>th</sup> meeting, as scheduled, since there was no increase in the Programs and Services budget. It was decided that they would still attend.

Mr. Grossi raised the issue of the I.U. directory. He felt that it was unnecessary for us to pay \$1,500 for a directory that he felt was useless. However, Ms. Kautz pointed out that others have told her they find it valuable. Ms. Kautz advised that she would take Mr. Grossi's comments back to the I.U.

Mrs. Jankowsky pointed out that the change in the vision provider would save the District \$12,525. The dental review would save \$19,414. She thanked Mr. Vail for his efforts, not only to save the District money but also to maintain the same quality of service to the employees.

*The motion passed 9-0.*

12. Exception to Policy 7.18 – Resident, Non-Resident Tuition Status

*A motion was made by Mr. Faust and seconded by Ms. Kolody to resolve that the Centennial School Board grants an exception to Policy 7.18, Resident, Non-resident Tuition Status and approves the request for the two children of Maj. Thomas K. Moore, currently on the Navy housing list, to attend WTHS and Klinger Middle School until end of the 1999/2000 school year, at no cost to the family.*

Mr. Faust questioned why the students could not attend school where they currently reside.

Dr. Sexton responded that they would be moving into the Hatfield area now but next year they would be attending Centennial schools. Therefore, they don't want the children to have to change schools twice.

Mr. Grossi stated that he did not see why we needed to do this in advance of their moving here, particularly since they were not certain that the housing would become available.

*A motion was made by Mr. Strouse and seconded by Ms. Kautz to call the question.*

*The motion to call the question passed 9-0.*

*The motion failed 0-8-1. (Mr. Rosenberger abstained.)*

14. Tuition Contract for Mosaica Student

15. Transportation Contract for Mosaica Student

*A motion was made by Mr. Strouse and seconded by Ms. Kautz to resolve that the Centennial School Board:*

*(14) Approves payment of tuition for a District full-time Kindergarten student at Mosaica Academy Charter School at a cost not to exceed \$6,401 for the balance of the 1999/2000 school year. Student moved into the District January 12, 2000.*

*(15) Authorizes an additional pupil transportation contract for the 1999/2000 school year with Claire Jacobs to transport a Mosaica Academy Charter School student. Total cost of this additional contract is estimated at \$1,430.*

Mr. Strouse questioned where the amount of \$6,401 came from in Item #14. Mr. Vail advised that there is a formula that is used.

Mr. Grossi stated that charter schools had gotten their PSSA results and they were not good. He indicated that he would not support the motion.

*The motion passed 8-1. (Mr. Grossi opposed.)*

## **POLICIES**

### Discussion:

5.2 – School Libraries

5.8 – Outside Speakers in the Instructional Program

7.17 – Non-Immigrant Students

7.21 – Exemption from Instruction

*A motion was made by Mr. Grossi and seconded by Ms. Kautz to table the discussion of these policies until the next meeting.*

*The motion passed 9-0.*

Rescission

3.15 – Use of Steroids

*A motion was made by Mr. Strouse and seconded by Mr. Faust to resolve that the Centennial School Board rescind Policy 3.15 – Use of Steroids.*

*The motion passed 9-0.*

**DISCUSSION**

1. AFG
2. Solicitor Appointment

[The meeting was adjourned without these items being discussed.]

**ADJOURNMENT**

*A motion was made by Mr. Grossi and seconded by Mr. Rosenberger to adjourn the meeting. The motion passed 8-0-1. (Mr. Faust opposed.). The meeting was adjourned at 11:08 p.m.*

Respectfully submitted,

---

Vickie A. Detwiler  
Board Secretary
