Purpose of the Committee:

1. Review the cost of facility use to the district
2. Review cost to the community
3. Streamline the facility use rental process
4. Increase transparency around the Facility Use Committee; adding information to the district website, including minutes from the meetings.

Goal of the Committee:

1. Evaluate and potentially revise Policy 707. Use of School Facilities
2. Evaluate and potentially revise the process for facility use
3. Evaluate and potentially revise the costs for facility use
4. Evaluate and potentially revise the rules surrounding facility use
5. Evaluate and potentially revise the classification of users

The committee will meet monthly to evaluate current use, review costs and fees, compare other district's policies, procedures and fees, and to review eligible and potential users and current practices.
