Principal

Rose Wrobel- Transportation Coordinator

Nate Ross- Communications Coordinator

Joanne Mancini- William Tennent High School Secretary

Joe O'Connor- Teacher & CEA President

Scope of the Committee's Work

The purpose of the Committee is to determine the feasibility of changing the high school start time to a later time. The Committee will begin by developing expertise on a research basis around a later school start time for high school students. The Committee would look at implications to other schools' start times, shared transportation needs with non-Centennial schools, and other considerations to be identified.

Goals

- Present the Committee's Findings to the School Board and Centennial School District Community by December 2019
- Make a recommendation for, or not for, modifying school start times

Resources for the Committee

Team Drive

- Agendas
- Research
- Documents
- Presentations
- Shared Resources

Activity

Consider the scope of responsibilities in your position.

- What do you believe you need to know about the research and rationale for a later school start time for high school students?
