Dear William Gretton,

In an attempt to partner with our community, would you consider Davisville Church identifying Centennial School District as the sole recipient of proceeds we raise from our Community Yard Sale which will be held on May 5<sup>th</sup>, 2012. Last year, we raised approximately \$3,000 through our yard sale and while we can't guarantee a specific amount of money I think it is reasonable to expect a similar amount. We are asking that whatever money is donated goes toward the sole purpose of providing playground equipment that is handicap accessible on the new Davis School site.

FYI--Upon your approval, we will create a small flyer that identifies Centennial School District as the benefiting organization to be distributed in our community. You can also expect the donated money before the end of May 2012.

Sincerely,

Matthew J. Rosenfeld  
Community Pastor, Davisville Church

Hi Matt,

Is there a day next week that would be good for you, Bill Gretton and me to meet and discuss this project? We did look at the site plans following our meeting today. Everyone is comfortable that space will not be an issue to support placing a playground on the grounds.

Warm regards,

- Mark

Hey Mark,

Hope you are doing well. Have you heard any word on the possibility of our partnership to help provide funds to make the elementary school playgrounds handicap accessible. Is there a meeting I should plan to attend?

Thanks,

Matt
