

STANDARDIZED TESTING PROGRAM

The Centennial School District recognizes the need for a standardized testing program that complies with state and federal laws.

The Superintendent is responsible for the implementation of this policy.

STANDARDIZED TESTING PROGRAM

I. Mandated State/National Tests

- A. Tests required by the Commonwealth or federal government shall be administered under the conditions mandated by those bodies.
- B. Parents shall be notified of the students' test results.

II. Individual Testing for Special Programs/Placement

Qualified personnel may administer tests as determined by the Multidisciplinary Team and the Director of Special Education/Special Services with the parent's consent.

III. Program Review

The Superintendent shall conduct a review of the District's testing program at least every two years.
