Dear Families,

The Kindergarten children will be celebrating Thanksgiving together on Thursday, November 17th. We would like to ask children to participate by bringing a portion of our meal with them to school that day. The teachers will combine all the food and serve the children some of their favorites. Some may even try some new foods! 😊 Please see below to know what your child should bring on this day and some guidelines to follow.

If your last name begins with letter:

A-I = Please bring in 10 pieces of fruit (an apple(s) cut up into 10 slices, 10 sections of an orange, 10 grapes, 10 slices of a pear, etc.).

J-O = Please bring in 10 finger size pieces of a vegetable (10 small carrots, 10 slices of cucumber, 10 pieces of broccoli, 10 pieces of celery, 10 pieces of cauliflower, etc.).

P-Z = Please bring in 10 slices of some type of bread (corn, banana, rye, pumpernickel, crackers, etc.).

We ask that all food items be placed in disposable bags or tin foil.
(No plastic containers will be returned!!!)

Our feast area is limited, so unfortunately parents will not be able to attend our kindergarten feast. We hope you have a wonderful Thanksgiving and enjoy your own Thanksgiving feast at home. Thank you for your help in making this a special day! 😊

Very Sincerely,
The Kindergarten Teachers
